

Contract Process

The process to contract

01 Inquiry

Please feel free to contact us via our website.
We will guide you on the technical materials needed during the initial consultation.

02 Consultation

We will confirm your technology overview and requirements via web or in-person meeting.
We will also explain our service overview.

03 Quotation

We will provide a quote based on the technical content and requirements discussed during the consultation.

04 Draft Contract Presentation

We will prepare and present a draft contract.
We will discuss detailed contract terms and conditions. (In principle, Japanese law will be the governing law.)

05 Contract Signing

Once the contract details are finalized,
we will proceed with the contract procedures in writing.

06 Start of Service

For the workflow after service commencement,
please check each service page.
